To Whom It May Concern:

I have personally known James and Michelle Anderson for over 15 years. Their company Anderson Industrial Roofing has had an account with Bradco Supply for over 6 years. They have always paid their bills before they are due. James has an exceptional reputation in Southlake and he is truly a man of his word. They take great pride in running a successful construction company and always make their homeowners happiness a number one priority. They are one of the few family run businesses left today. Please feel free to call me if I can be of any further assistance.

Sincerely,

Cassandra Greenwell
